

**407 ETR. FAST. SAFE. RELIABLE**

FAST, SAFE AND RELIABLE ARE THREE OF THE ATTRIBUTES THAT ENCOURAGE OVER 400,000 TRIPS (MOVING MORE THAN 500,000 PEOPLE) ON THE TOLL ROAD IN TORONTO, CANADA EVERY DAY. IT IS THE FIRST FULLY ELECTRONIC TOLL ROAD IN THE WORLD WITHOUT BARRIERS AND RUNS 108 KILOMETRES EAST TO WEST ACROSS THE REGION. ITS TECHNOLOGY ALLOWS USERS TO ENTER AND EXIT WITHOUT STOPS OR DELAYS, HELPING DRIVERS WHO USE THE ROAD AVOID CONGESTION AND TRAFFIC JAMS. DRIVERS SAVE TIME AND GAS AND REDUCE THEIR CARBON EMISSIONS.

500,000 people circulate on weekdays, around 150 million per year.

60% of the drivers confirm saving between 20 and 60 minutes per trip. They also save on fuel and maintenance.

Almost 1.5 million transponders in circulation. 80,000 ordered online every year.

The most loyal customers are given free kilometres for weekend travel and savings on gas. To date, ETR Rewards has given out 550 million free kilometres.

230 km of lane added to keep traffic flowing safely and reliably.

2,600 million km travelled every year. Equivalent of 60,000 trips around the World.

500,000 customers use electronic invoicing, avoiding the felling of more than 2,000 trees per year.
